Shikino High-Tech Co., Ltd.  
829 Kichijima, Uozu-shi, Toyama, Japan

## Participation in Renesas Preferred Partner Program

Shikino High-Tech would like to announce that they have become a member of the Renesas Preferred Partner Program.

Renesas Preferred Partners are system solution providers working with Renesas and its customers in their areas of expertise.

These partners are well trained and highly experienced in deploying Renesas products to deliver optimized solutions.

Shikino High-Tech is able to provide optimised embedded camera module solutions for image processing in a variety of customer requirements because of its close relationship with Renesas.

Renesas electronics cooperation Preferred Partner Program website
